**FLINDERS
FOUNDATION**

Staff and volunteers will be available during the day for tours of the Cancer Wellness Centre and to provide information on programs and support services.

The Flinders Centre for Innovation in Cancer function room can be accessed through the Taylor and Holmes Café on the ground floor.

**World
Cancer Day
4 February**

You can also show your support for our Tour de Cure riders, who'll be riding their bikes in the centre foyer for 12 hours to raise funds for cancer research at Flinders.

Grab a coffee or cake on the day from Taylor & Holmes' newly refurbished café and part proceeds will help fund cancer research at Flinders.
